This is a Dual Eligible Special Needs Plan (D-SNP)

Anthem MediBlue Dual Advantage (HMO D-SNP) is a Medicare Advantage and prescription drug plan. It includes hospital, medical and prescription drug benefits in one plan. To join this plan, you must¹:

- Be entitled to Medicare Part A,
- Be enrolled in Medicare Part B and Virginia Medicaid (the state's Medicaid program) and
- Live in our service area.

Eligibility

Anthem MediBlue Dual Advantage (HMO D-SNP) is available to anyone with both Medicare Parts A and B and who receives Medical Assistance from Virginia Medicaid (the state Medicaid program) to cover Medicare cost sharing. Information on the various Medicare Savings Programs that may cover some or all of your Medicare cost sharing are highlighted below:

¹ This plan is available to anyone who has both Medical Assistance from the State and Medicare.

Anthem MediBlue Dual Advantage (HMO D-SNP)

- Plan members with **full Medicaid coverage (Full Benefit Dual Eligible (FBDE))** status are eligible for the Virginia Medicaid program, which may be responsible for payment of their Medicare cost sharing. These members are also eligible to receive the additional Medicaid benefits described in the plan *Evidence of Coverage*.
- Plan members with **Qualified Medicare Beneficiary Plus (QMB+)** status are eligible for the Virginia Medicaid program, which is responsible for payment of their Medicare cost sharing. Members are also eligible to receive full Medicaid benefits.
- Plan members with **Specified Low-Income Medicare Beneficiary Plus (SLMB+)** status are eligible for the Virginia Medicaid program, which is responsible for payment of their Medicare Part B premium. Members are also eligible to receive full Medicaid benefits.

Cost sharing and cost-sharing protections for all members

In our plan, the state Medicaid program pays the cost sharing for Medicare-covered medical services you receive. You pay no cost sharing for the Medicare-covered benefits described later in this Summary of Benefits. You will pay no or small copayments for prescriptions covered under the Medicare Part D prescription drug benefit. When you receive health services, the provider should only bill the plan or the state Medicare program for the cost of those services and cost-sharing amounts. The provider should not bill you for services or cost sharing.

If you receive care from a non-contracted provider, the provider may not understand the plan or these billing rules. If you receive a bill from a provider for Medicare-covered services, please notify Customer Service so we can help you. Please see Chapter 7 of your plan's Evidence of Coverage for more information.

² If you need emergency or urgent care, call 911 or go to the nearest doctor or facility that can help you. Most times, you must use doctors in our plan to get covered medical care, except for emergencies and urgently needed care when doctors in our plan are not available, or dialysis services when you are out of the service area. If you get routine care from doctors outside our plan, neither Medicare nor Anthem HealthKeepers will pay for it.

Medicare coverage that goes beyond Original Medicare

- Like all Medicare Advantage health plans, we cover everything that Original Medicare covers — Part A (hospital services) and Part B (medical services). Our plan members also get more than what is covered by Original Medicare. Some of the extra benefits are covered in this Summary of Benefits.
- This plan covers Medicare Part D drugs and Part B drugs (such as chemotherapy and some drugs administered by your provider). To see if your prescription drugs are covered, follow the instructions in the “Know Your Drug Plan” section of this booklet.

Is your PCP in our plan's network of doctors?

You must choose a **Primary Care Provider (PCP)** in our network (plan) for covered services.² A PCP is your main doctor who provides most of your medical care, including routine care and hospitalizations. Your PCP will also help coordinate your care after a stay in the hospital. If you use a doctor or facility that is not in our plan, we may not cover the services.

Before you get care from a specialist, we highly recommend you talk to your PCP first. Doing so will keep your PCP informed and will help ensure you get the right care. Many specialist services require a referral from your PCP. So if you have a favorite specialist, make sure to ask if the specialist is in the plan's network.

A PCP can join or leave the plan's network at any time, so be sure to ask the PCP if he or she is in the plan's network, taking new patients and accepts Medicare and Medicaid. You can find a PCP in the plan's network or check the PCP status online. Just follow the steps below. If, for any reason, you need to change your PCP, give us a call – we can help you.

How to find a doctor/PCP in our plan:

- Go to <https://shop.anthem.com/medicare>.
 1. Scroll to the *Useful Tools* section and choose the tab labeled **Find a Doctor**.
 2. Enter your ZIP code, county and the date you want your coverage to begin and select **Continue**.
 3. Fill in the details of your search (city, doctor's name, distance, etc.).
 4. Be sure to check that the doctor displays as “In-Network” for these plans.
- Or you can call us and ask for a copy of the *Provider Directory*. The phone number is on page 2.

Know your drug plan

Prescription drugs are an important part of health and wellness

Our plan gives you access to the drugs you need to get healthy and stay active.

What is a formulary?

The formulary is a list of drugs covered by our plan that tells you:

- Which drugs require prior authorization from your plan before you fill your prescription,
- If there is a quantity limit on the frequency, amount or dosage,
- If you need to try other drugs first (called step therapy),
- And the cost-sharing tier a drug is in.

Our plan groups each drug into “tiers.” The amount you pay depends on the drug’s tier and what stage of the benefit you have reached. Learn more by going to the “Summary of 2020 prescription drug coverage” section in this guide.

How to find if your drugs (or an acceptable alternative) are covered and what they'll cost:

- ☐ Visit <https://shop.anthem.com/medicare>.
 1. Scroll to the *Useful Tools* section and choose the tab labeled **Find Your Covered Drugs**.
 2. Enter your ZIP code, county and beginning coverage date; then select **Continue**.
 3. Enter the name of your drug, dosage, quantity and refill frequency, and select **Add Drug**.
 4. Select your pharmacy.
 5. Select **View All Plans**.
 6. Make sure to choose **Show drug cost details** to view what tier your drugs are in, specific costs and coverage details.
- ☐ You can also call Customer Service at the number on page 2 to get a copy of the *Formulary*.

Can I use any pharmacy to fill my covered prescriptions?

To get the best savings on your covered Part D drugs, you must generally use a pharmacy in our plan. You may get your covered drugs from pharmacies that are **not** in our plan, but only when you are unable to get your prescription drugs from a pharmacy that **is** in our plan.

Our plan offers preferred and standard pharmacies. You may go to either type of pharmacy to fill your covered prescription drugs. Your costs will be the same if you use a preferred or standard pharmacy.

To find a pharmacy in our plan, see our online *Pharmacy Directory* on our website at <https://shop.anthem.com/medicare> (under *Useful Tools*, select **Find a Pharmacy**, and enter your location and search details). Preferred pharmacies are indicated above the pharmacy name. Or you can give us a call and we'll send you a copy.

Anthem MediBlue Dual Advantage (HMO D-SNP)

Stage 1: How much is my deductible?

The Part D deductible does not apply to you because you get "Extra Help" from Medicare.

Stage 2: Initial Coverage

After you pay your yearly deductible (if your plan has one), you pay the amount listed in the table on the following pages, until your total yearly drug costs reach \$4,020. Total yearly drug costs are the total drug costs paid by both you and our Part D plan.

You may get your covered drugs at retail pharmacies and mail-order pharmacies in our plan. Generally, you may get your covered drugs from pharmacies not in our plan only when you are unable to get your prescription drugs from a pharmacy that is in our plan. If you live in a long-term care facility, you pay the same as at a standard retail pharmacy.

If you qualify for low-income subsidy (LIS), also known as Medicare's "Extra Help" program, the amount you pay may be different in this Stage.

Stage 2: Initial Coverage

Retail and Mail Order Cost Sharing

Cost Sharing	Anthem MediBlue Dual Advantage (HMO D-SNP)
Tier 1: Preferred Generic, Tier 2: Generic, Tier 6: Select Care Drugs	\$0 copay
Generic drugs (including brand drugs treated as generic) on all other Tiers not referenced above	\$0 - \$3.60 copay, depending on the level of "Extra Help" you receive
All other brand drugs on all other Tiers not referenced above	\$0 - \$8.95 copay, depending on the level of "Extra Help" you receive

Cost sharing is the same for 30-day or long-term supply.

You can determine which covered drugs are generic by reading the plan's Formulary.

Plan Tiers

Tier 1: Preferred Generic

Tier 2: Generic

Tier 3: Preferred Brand

Tier 4: Non-Preferred Drug

Tier 5: Specialty Tier

Tier 6: Select Care Drugs

Stage 3: Coverage Gap

Anthem MediBlue Dual Advantage (HMO D-SNP)

After you enter the coverage gap, you will pay your low income subsidy (LIS) level cost-sharing for generic and brand name drugs unless your plan has extra generic gap coverage.

For drugs on Tier 1, Tier 2, Tier 6, you will pay: \$0.00.

You will stay in the gap until your costs total **\$6,350**, which is the end of the coverage gap. Note - not everyone will enter the coverage gap.

Stage 4: Catastrophic Coverage

Anthem MediBlue Dual Advantage (HMO D-SNP)

After your yearly out-of-pocket drug cost reach \$6,350, the plan will pay all of your Medicare covered Part D drugs for the rest of the calendar year.

An overview of how Medicare works

If you're new to Medicare, this information can help you decide what option is right for you.

ORIGINAL MEDICARE (PARTS A and B) is offered by the federal government. It helps cover the costs for:

- ☐ Inpatient care in hospitals and skilled nursing facilities (not custodial or long-term care).
- ☐ Hospice and some home health care services.
- ☐ Doctors' services, hospital outpatient care and some home health care services, as well as lab tests, medical equipment and supplies.
- ☐ Most preventive services, including a yearly wellness exam.

But Original Medicare doesn't cover everything. Parts A and B don't cover:

- ☐ Prescription drugs.
- ☐ Routine vision, dental or hearing care.

☐ HERE ARE YOUR OPTIONS ☐

Option 1 Choose all your coverage in one plan

Medicare PART C (offered by private insurers) can also be called a "Medicare Advantage" plan and:

- ☐ Includes all of Part A (hospital) and Part B (medical) coverage.
- ☐ Usually includes Part D prescription drug coverage.
- ☐ Often offers extra services and benefit options.
- ☐ Has yearly limits on your out-of-pocket costs for medical services.

How Medicare works - continued

- OR -

Option 2

Choose one or both of the following

MEDICARE PART D (offered by private insurers) is stand-alone prescription drug coverage and

- ☐ Helps pay for many of your prescribed drugs.
- ☐ Gives you access to mail-order options and retail drug stores across the country.

MEDICARE SUPPLEMENT (offered by private insurers) bridges the gap in costs that are not fully covered by Original Medicare, such as:

**Medicare
Supplement**

- ☐ Medicare Part A or Part B deductibles, coinsurance or copayments.
- ☐ Medicare Part B excess charges.
- ☐ Skilled Nursing Facility care coinsurance.
- ☐ Foreign Travel Emergencies.

Medicare ID cards

The Medicare plan option you choose will determine the plan ID card or cards you will need to carry with you at all times.

If you choose one of our Dual-Eligible Special Needs (D-SNP) plans:

One Card for ALL!

You should put away your red, white and blue Medicare ID card because all you'll need to carry is one card. Just present your D-SNP plan ID card for all your covered medical and drug benefits. We recommend that you also carry your state Medicaid ID card just in case your doctor may need to see it.

How can I learn more about Medicare?

Medicare & You – a helpful tool

We strongly recommend you obtain a copy of the official U.S. government's *Medicare & You* handbook to get the answers to all of your questions about Medicare. If you do not have a copy, you can view it online at **www.medicare.gov** or call Medicare for a copy at **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users can call **1-877-486-2048**.

When you can enroll

Initial coverage period

You can sign up for a D-SNP when you are first eligible for Medicare. Your initial enrollment phase is a 7-month period that includes the 3 months before you turn 65, the month you turn 65 and the 3 months after you turn 65. You must be eligible for both Medicare and Medicaid to join a D-SNP.

Annual election period - October 15 to December 7

This is the time frame each year that you can enroll in or change your Medicare Advantage or Part D plan. You may also switch to Original Medicare (Parts A and B). New coverage begins January 1 of each year, after you've enrolled.

Special enrollment period - January 1 to September 30

As a D-SNP member, you can change plans one time per calendar quarter. This option is known as a special enrollment period. For more help, call your agent or call us (toll-free number is listed on page 2).

Some of the areas Medicare reviews for these ratings include:

- How our members rate our plan's services and care;

Understanding the Benefits

- ☐ Review the full list of benefits found in the Evidence of Coverage (EOC) , especially for those services for which you routinely see a doctor. Visit <https://shop.anthem.com/medicare> or call 1-855-558-1434 to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2021.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- ☐ This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.
